

Dear parents and guardians. It is hard to believe that we have reached summer camp registration time again! We are excited to hear of the growing interests for the 2026 summer camp season. Weekly camp is being offered at the same location (Nashville Road Community Church/KCA) and we look forward to six weeks of fun and games!

The camp will run during the day, from Monday to Friday, 9am to 4pm (excluding statutory holidays) from Monday, June 29th, to Friday, Aug. 7th. The camp will be available to children going into senior kindergarten to grade four.

The focus of the camp will revolve around weekly themes. Activities, crafts and games are planned around that theme. We have creative and exciting plans to make this year different from the last! Some themes and activities that we are brainstorming include: summer olympics, music/dance, all creatures big and small and STEM, with additional activities that focus on life skills and social skills. (Nut free) Snacks and lunches are provided by parents/guardians; with the addition of parent/guardian approved frozen treats, or the occasional birthday treat for a camper celebrating their birthday.

If you are interested in your child/children participating in camp, please register as soon as possible as spots are limited. Your child's spot will be secured once registration and full payment have been received. Registration will close on May 29th.

Thank you,

Nashville Road Community Church, KCA and Camp Facilitator
